FIFTY YEARS.

I have known and watched the use of Swift's Specific for over fifty years, and have never known or heard of a failure to cure Blood-Poison when preperly taken. I used it on my servants from 1850 to 1865, as did also a number of my neighbors, and in every case that came within my knowledge it effected a cure. It all my life! have never ledge it effected a cure. In all my life I have never known a remedy that would so fully accomplish

H. L. DENNARD, Perry, Ga. THE GREAT DRUG HOUSE OF CHICAGO. We do not hesitate to say that for a year past we bave sold more of Swift's Specific (S. S. S.) than all other blood-purifiers combined, and with most as-tontshing results. One gentleman, who used half a dozen bottles, says that it has done him more good

a permanent cure from its use. VAN SHAACK, STEVENSON & CO.
